

HOSPITALITY SOLUTIONS

GROUP

ABOUT US

The Hospitality Solutions Group began with Solutions 4 Caterers in 2003 serving the hospitality industry as trusted outsourced book keepers and accountants.

Over the years we have grown with our clients and now offer a wide variety of services.

We are passionate, honest and hard working and constantly challenge ourselves and our teams to adapt and develop with our clients.

We leverage technology including our own suite of software to offer a competitive and reliable service to the busy entrepreneur.

TESTIMONIALS

01

"Solutions 4 Caterers initially helped with our expansion by applying their invaluable experience of the sector to our management information and systems. And now, with our recent £10m investment from Piper we continued to grow and flourish. The whole team are professional supportive, reliable and most of all fun to work with - they are unlike any other accountant I've worked with."

Flat Iron

02

"Solutions 4 Caterers friendly, relaxed demeanour fits perfectly into our SOTA family ethos."

Steve Bowen, Founder Steak of the Art

03

"We get accurate information on time and Solutions 4 Caterers have helped to streamline our processes."

Blacklock

04

" Having been working with HSG for over two years now our experience has been amazing with seamless accounting, financial support and now the addition of the app. Truly a full 360 solution. "

Jacek Bilinski, Fresh Kebabs

OBJECTIVES

01

We focus on our client's needs and setup. We are their outsourced finance function and take away all of the day to day hassle of running their finances

02

We are open and honest. With our years of expertise we find any potential issues and resolve them with the client from till setup to year end accounts

03

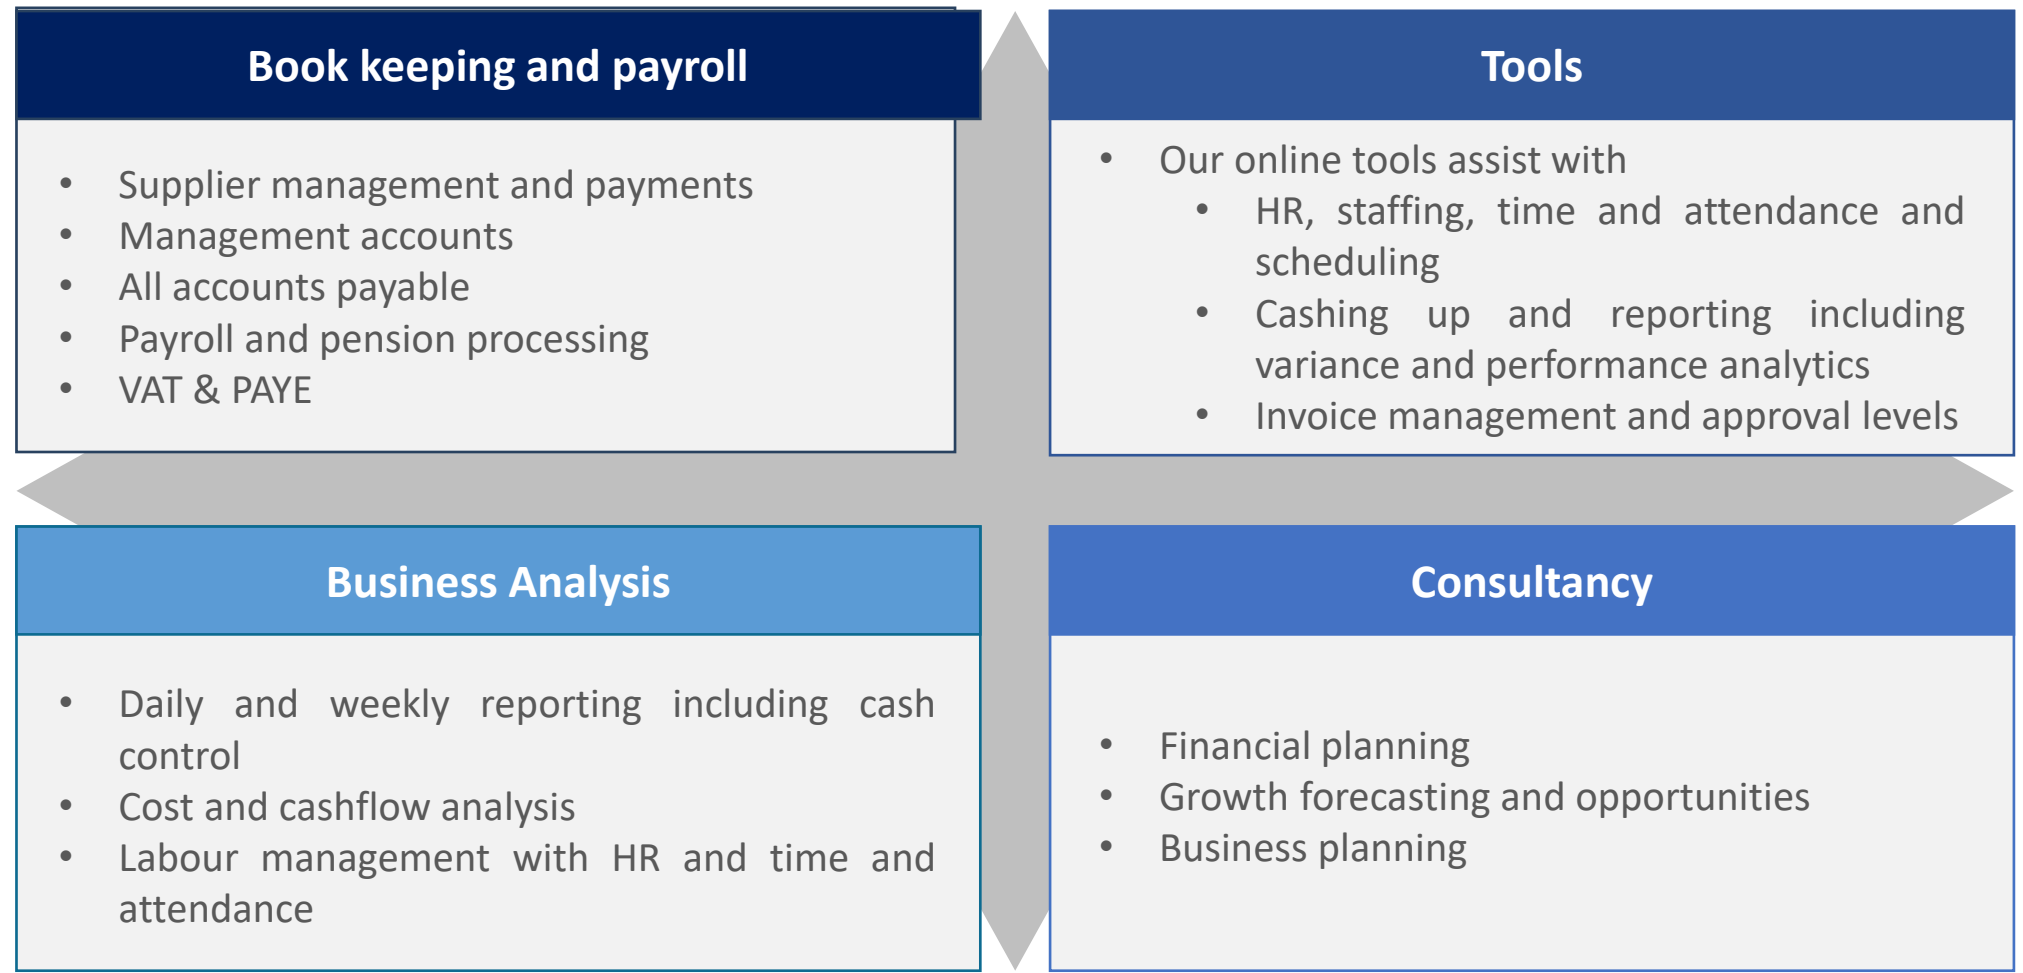

We generate custom reporting. We aim to have management accounts with you by the 10th working day and also provide daily and weekly analytics custom to your requirements

04

We leverage technology to get data and reporting at your fingertips

OBJECTIVES

WHAT WE DO

HOW WE WORK

HSG performs your all accounting functions. All aspects from bank reconciliations, supplier payments, payroll and tronc, to P&L and cash flows to preparing accounting schedules and balance sheets. We are the one stop shop for all your financial and book keeping requirements.

Working with the top names in the in the UK hospitality industry since 2003, we provide a quality service that allows you to focus on running the show rather than crunching numbers.

We do not outsource our book keeping – rest assured all of your work and processing happens in the UK unlike many of our competitors.
